Privacy Policy

This privacy policy was last modified on April 25th, 2016.

Welcome to Wing It, the online and mobile service of Wing It Travel LLC, including any and all of our products, services, online and/or mobile applications. Our Privacy Policy explains how we collect, use, disclose, and protect information that applies to our Service, and your choices about the collection and use of your information.

A. HOW WE COLLECT AND USE INFORMATION

Capitalized terms that are not defined in this Privacy Policy have the meaning given them in our Terms of Use wingit.travel/terms.

We collect the following types of information about you:

Information you provide us directly: We ask for certain information such as your username, first and last name, birth date, phone number and e-mail address when you register for a Wing It account, or if you correspond with us. We may also retain any messages you send through the Service, and may collect information you provide in User Content you post to the Service. We use this information to operate, maintain, and provide to you the features and functionality of the Service.

Information we may receive from third parties: We may receive information about you from third parties. For example, if you access our websites or Service through a third-party connection or log-in, for example, through Instagram, by “following,” “liking,” adding the Wing It application, linking your account to the Wing It Service, etc., that third party may pass certain information about your use of its service to Wing It. This information could include, but is not limited to, the user ID associated with your account (for example, your Instagram UID), an access token necessary to access that service, any information that you have permitted the third party to share with us, and any information you have made public in connection with that service. If you allow us access to your followers list, your followers’ user IDs, and your connection to those followers’, may be used and stored to make your experience more social, and to allow you to invite your followers to use our Service as well as provide you with updates if and when your friends join Wing It. You should always review, and if necessary, adjust your privacy settings on third-party websites and services before linking or connecting them to the Wing It Service. You may also unlink your third party account from the Service by adjusting your settings on the third party service. If you unlink your third party account, we will remove the information collected about you in connection with that service.

Finding your friends on Wing It: If you choose, you can find friends with your Wing It account through your Wing It Profile and the “friends” feature. The “friends” feature

allows you to choose to locate friends either through (i) your contact list, (ii) social media sites (such as Instagram) or (iii) through a search of names and usernames on Wing It. If you choose to find your friends through your contact list, then you agree to provide Wing It access to your contact list such that we can perform the search necessary to determine whether or not someone associated with the information you provide is using Wing It. If you choose to find your friends through social media sites, then you understand that the information these sites provide to us to conduct this type of search is governed by their privacy policies and your account settings on those sites. If you choose to find your friends through a search of names or usernames then simply type a name to search and see if that name or username appears on our Service. Note that we do not retain any information contained in your contacts list, or information from social media sites about your contacts, and Wing It does not use such information for any purpose other than to help you find your friends on Wing It.

Wing It uses this information to operate, maintain, and provide to you the features and functionality of the Service, as well as to communicate directly with you, such as to send you email messages and push notifications, to allow you to locate others and have others locate you on the Service, and to permit you to share content with others on the Service. Wing It may also send you Service-related emails or messages (e.g., account verification, order confirmations, change or updates to features of the Service, technical and security notices). For more information about your communication preferences, see “Your Choices Regarding Your Information” below.

Your “Likes” from Instagram: If you choose, you can follow our Wing It community instagrammers. Once you decided to follow our influencers all “likes” associated with photos uploaded by one of the Wing It Influencers will be associated with a destination. Wing It will use your “likes” to understand what destinations it should help you find flights for. A tracking of these “Likes” will be captured in your Wing It profile. Wing It will use “likes” to all send you information related to providing you features and functionality of destination finding.

In that situation, Wing It determines the target audience and Wing It serves the advertising to that audience and only provides anonymous aggregated data to the advertiser. If you respond to such an ad, the advertiser or ad server may conclude that you fit the description of the audience they are trying to reach.

The Wing It Privacy Policy does not apply to, and we cannot control the activities of, third-party advertisers. Please consult the respective privacy policies of such advertisers or contact such advertisers for more information.

However, Wing It cannot ensure or warrant the security of any information you transmit to Wing It or guarantee that information on the Service may not be accessed, disclosed, altered, or destroyed. Your privacy settings may also be affected by changes to the functionality of third party sites and services that you add to the Wing It Service, such as social networks. Wing It is not responsible for the functionality or security measures of any third party.

Compromise of information: In the event that any information under our control is compromised as a result of a breach of security, Wing It will take reasonable steps to investigate the situation and where appropriate, notify those individuals whose information may have been compromised and take other steps, in accordance with any applicable laws and regulations.

Typically, the information collected for this purpose is collected through cookies or similar tracking technology. The only way to completely opt out of the collection of any information through cookies or other tracking technology is to actively manage the settings on your browser or mobile device. Please refer to your mobile device or browser’s technical information for instructions on how to delete and disable cookies, and other tracking/recording tools. (To learn more about cookies, clear gifs/web beacons and related technologies, you may wish to visit <http://www.allaboutcookies.org> and/or the Network Advertising Initiative’s online resources, located at <http://www.networkadvertising.org>). Depending on your type of device, it may not be possible to delete or disable tracking mechanisms on your mobile device. How long we keep your User Content: Following termination or deactivation of your User account, Wing It may retain your profile information and User Content for a commercially reasonable time for backup, archival, or audit purposes.

E. "DO NOT TRACK"

Although we do our best to honor the privacy preferences of our customers, we are not able to respond to Do-Not-Track signals from your browser at this time. As discussed above, we track website usage information through the use of cookies for analytic and internal purposes only. Because we do not collect this information to track you across websites over time, your selection of the "Do Not Track" option provided by your browser will not have any effect on our collection of cookie information for analytics or internal purposes.

F. CHILDREN'S PRIVACY

Wing it does not knowingly collect or solicit any information from anyone under the age of 13 or knowingly allow such persons to register as Users. The Service and its content are not directed at children under the age of 13. In the event that we learn that we have collected personal information from a child under age 13 without verification of parental consent, we will delete that information as quickly as possible. If you believe that we might have any information from or about a child under 13, please contact us at Eileen.p.kelly@gmail.com.

Your browsing and interaction on any third-party website or service, including those that have a link or advertisement on our website, are subject to that third party's own rules and policies. In addition, you agree that we are not responsible for and we do not have any control over any third-parties that you authorize to access your User Content. If you are using a third-party website or service (like Instagram) and you allow such a third-party access to your User Content you do so at your own risk. This Privacy Policy does not apply to information we collect by other means (including offline) or from other sources other than through the Service.
